ARMOR

The card has a red border with ornate golden dragon head illustrations at the top corners. The title is in a red banner at the top. The background of the text area is a faded image of a samurai in a dynamic pose. The text is in a stylized, slightly gothic font. At the bottom, there are decorative circular elements resembling mechanical gauges or wheels.

Triad of Lotus Dragon

ABILITIES:

Hard to Kill: If this model's Wounds are reduced to 0 and it had more than 1 Wound at the moment it suffered damage, it is reduced to 1 Wound instead.

40mm base: This model is mounted on a 40mm base.

Tachi-ai: When this model charges it may add +2" to its Move and may move through friendly and enemy models as long as there is a place for its base at the end of this move. Make a Reflex vs Reflex test of this model and every model it moves through in this way. If this model scores equal or more successes the model it moved through is Toppled.

Rikishi: After resolving melee attack with this model you may Push the model that was the target of this melee attack up to 1" directly from this model and immediately follow up with this model up to 1" and into BtB contact with the pushed model. You may contact or leave BtB with other models as part of this follow up.
