The card has a red border with ornate golden dragon head illustrations at the top corners and circular mechanical motifs at the bottom corners. The background features a faded image of samurai warriors in a misty setting. The title 'Triad of Lotus Dragon' is written in red on a metallic-looking banner at the top. The section 'ABILITIES:' is underlined in the center. Three abilities are listed below: 'Mistwalker', 'Backstab', and 'Contraband', each with a detailed description of its effect.

## Triad of Lotus Dragon

### ABILITIES:

**Mistwalker:** In any moment in this model's 'Movement' action, when it is entirely within a Mist Marker, you can place it entirely in another Mist Marker, then it can continue its movement. The marker it moved from is removed from the Battlefield.

**Backstab:** This model gains +5 Strength when fighting with Toppled models.

**Contraband:** This model adds 1 additional dice to Activating Objectives when in range.
